Choose the scenes you want filmed on your wedding day. Avoid last minute surprises and do not assume "we will catch" spontaneous moments. Inform us of all "surprise" presentations, speeches, dances, etc so we can be prepared, when possible.

Pre or Post-Ceremony Photo Shoot location and address if applicable:

Do you want to be filmed getting dressed or just last minute adjustments at the ceremony location? (makeup, etc.) Please specify.

Is there anything else we should be aware of that is happening before ceremony?

Videotape your pre-ceremony photo session?

If yes let your photographer know in advance. Also let him/her know that we will be as unobtrusive as possible.

Will there be a candle lighting ceremony?

****IMPORTANT**** Is there anything or anyone especially important to you that you want videotaped?
